No closing costs except appraisal if required. Estimated appraisal cost: \$745. Your interest rate and credit limit will be determined based on individual credit worthiness. Verification of income is required. Property Insurance is required. If the property is located in a Special Flood Hazard Area, we will require you to obtain flood insurance if it is available. An early closure fee (Title, Recording, Flood Determination – Total fees approximately \$250) is applied if the loan is closed within the first 36 months. You must pay a Re-Conveyance Fee at the end of the contract in order to release our lien. This fee will be determined at the time of re-conveyance. Maximum loan amount is determined by a variety of methods, including County RMV, AVM Report, or Appraised Value. The APR includes interest only and no other costs and could change at any time. Variable Rate is equal to the Prime Rate index (currently 6.75% APR as of December 11, 2025) as published in the Wall Street Journal and is subject to change. To determine the APR which will apply to your account, a margin (currently 0.00% APR – 8.00% APR) will be added to your current index rate. As of October 30, 2025, the Variable Annual Percentage Rate for Home Equity Lines of Credit ranged from 6.75% APR – 14.75% APR). Home equity loans may qualify for tax deductible interest. Consult with your tax advisor for details. In no event will the regular APR be less than the Prime Rate or more than 18.00% APR or applicable state law. Non-members may apply for a Home Equity Line of Credit. Membership with Wauna Credit Union is required for a Home Equity Line of Credit to be funded.
