## WCU Food Drive

Wauna Credit Union's 2025 Food Drive kicks off on October 1 and runs through November 21. Join us in supporting our local food pantries by donating nonperishable food items at any Wauna Credit Union branch.

Every can, box, and bag makes a difference for families in our communities who need a little extra help this season. Together, we can fill pantry shelves and spread the spirit of giving throughout our communities.

Stop by your local branch to drop off donations and help us make this year's Food Drive our most impactful yet!

## WCU School Supply Results

The school year is already in full swing, but the impact of our School Supply Drive continues to make a difference in classrooms across our communities. Thanks to the incredible support of our members, employees, and local partners, we collected over 1,000 school supplies and donated \$2,300 to schools throughout our footprint.

From notebooks and backpacks to crayons and calculators, every contribution helped ensure that students and teachers had the tools they needed for a successful year. The funds donated also allowed schools to purchase additional classroom essentials, supporting educators as they create positive and engaging learning environments.

At Wauna Credit Union, we believe in the power of education and community. Your generosity helped lighten the load for students, teachers, and families alike, and we are so thankful for everyone who took part. Together, we're helping local schools continue to grow, learn, and succeed all year long.

Insurance should be on your terms.
