George, born in Astoria and raised in both Wauna and Scappoose, is a retired fire chief. A graduate of Linfield College, he began his fire service career as a volunteer firefighter with Scappoose Rural Fire District. He was later hired as a career firefighter by Washington County Fire District #1 (now Tualatin Valley Fire & Rescue) and served as Fire Chief of Columbia River Fire & Rescue (St. Helens Rural Fire District) for seven years. Throughout his 35 years in Oregon's fire service, he managed all facets of the fire department including budget, administration, human resources, operations, training, and community & support services. His enthusiasm for community service is evident in his high level of involvement; he currently serves on the Board of Directors of the Oregon Fire Chiefs Foundation. He has served as a Board Member of the International Fire Service Training Association, and an active member of the Kiwanis Club of St. Helens. He continues to work with local governments as a Senior Consultant for the Consulting Services Program of Special Districts Association of Oregon. ### BETH VAN ELSWYK

MEMBER SINCE 2018 • ASTORIA, OR

In 2025 Beth will begin a new role as the Director of the Clatsop Community College Foundation. She has held sales and business development roles for more than two decades. When she joined Wauna CU, she was creating profitable dispensaries and ancillary businesses while navigating the banking and compliance challenges. Beth helped guide the expansion of several traditional and nontraditional businesses, including Hemp & Cannabis. Beth thrives in the chaos of growth and change with a focus on customer service & collaborative campaigns to create ROI. While at Panasonic, one such campaign yielded a 300% increase in sales for a PNW regional retailer during the recession. She credits her ongoing success in challenging business climates to a combination of Matshushita and Drucker Management principles as well as an understanding of TRIZ - The Theory of Inventive Problem Solving. Strategic Planning is a cornerstone of creating Data Driven Decisions and creating SMART goals, something she embraces with a keen eye on succession planning for long term growth and support for Wauna CU and all the organizations she supports. After a long-term commitment with SMMR Sergeant McDowell's Military Relief as VP, she now currently serves both the Wauna CU board and her local Astoria Rotary. Beth has a community focus that has her and her wife travelling the North Coast regularly to support fundraisers, events and local activities. You also can find her out on the golf course on sunny days!

It has been his honor to twice serve our members and Wauna Credit Union in this capacity.

An election will not be conducted by ballot, and there will be no nominations from the floor at the annual meeting when the number of nominees equals the number of positions to be filled, which is currently the situation. Any member who desires to run for the Board may do so now only by a nomination by petition signed by **294** credit union members in good standing 18 years of age or older.
